### Pandemic Operations – Event Guest Policy

- The BABCPHL is committed to the health and safety of our members, supporters, partners and staff.
- When hosting in-person events, BABCPHL will comply with all state and local laws.
- The BABCPHL is continuously monitoring the situation and is ready to pivot operations if and when needed.
- Remember that by showing-up to an in-person event, you are certifying that you:
  - ✓ Have no COVID symptoms and
  - ✓ Have not been in close contact with someone diagnosed with COVID within the past 14 days.\*
- \*If you cannot attest to the above , do not attend the in-person event.
- Vaccinated guests may be asked to show proof of vaccination in compliance with state and local laws.
- BABCPHL will accommodate unvaccinated individuals who have medical disabilities preventing vaccination or a sincerely held religious belief prohibiting them from being vaccinated. Such guests will be allowed to attend in-person with the requirement that a mask is worn throughout the duration of the event and social distance is maintained. To receive this accommodation, guests must submit a request in advance to BABCPHL. Unvaccinated guests must also submit a negative Covid test with 24 hours of the event.
- BABCPHL will encourage elbow bumps as an alternative to handshakes.
- BABCPHL will gather and maintain contact information (name and email address) for all event attendees.
- BABCPHL reserves the right to alter, change or update this policy as needed.
